Volunteers join forces for environmental restoration

Volunteers from North Sydney Bushcare made their annual visit to Boorowa from May 26-28 for a mammoth tree planting operation.

THE environment was the winner when volunteers from North Sydney Bushcare joined Boorowa Local Landcare volunteers in a mammoth tree planting operation recently, as part of the Building Bridges to Boorowa partnership.

The tree planting took place over a three day period, May 26 - 28, with three local properties benefitting from the planting of over 3,600 trees. In addition to the tree planting, a dinner was held at the Boorowa Ex-services Club for participants to celebrate the achievements of Building Bridges to Boorowa. Amongst guests and participants were Councillors and staff from North Sydney and Hilltops Councils.
